

STEPPING OFF THE EDGE

travels of a reluctant retiree

JANUARY 2, 2020 BY MIKE T

TWO YEARS AND COUNTING

The lovely Mrs. Termini the only person in the world who could drag me away from working.

married two years to a woman i have known for 25. happily self employed at a company i helped start in 1976.

wife: honey, isnt it time you thought about retiring?

Lets start from the beginning shall we, 2018 January.

me: why?

wife: so we can travel and have fun together.

me: sounds nice lets plan on doing that...

fast forward to January 1 2020, retired, ready to travel the world...

happy as a man can be right? please refer to the title of this blog and report back to me...

This is the continuing story of my retirement and two years around the US and Europe with my now wife of four years....
